

STATEMENT OF PURPOSE

RS20202

The purpose of this legislation is to reduce the number of members on the Community Care Advisory Council from 22 down to 20 and to allow the makeup of the Community Care Advisory Council to be determined by the by-laws of the Community Care Advisory Council. It also allows for alternative meeting formats, such as conference calls and video conferencing.

FISCAL NOTE

Negligible positive fiscal impact to the Department of Health and Welfare with money saved using conference calls and video conferencing.
